Philippian Ministries, Inc.

Philippian Ministries is an outreach of emotional healing prayer, founded and directed by Lana Bateman. It is designed to bring encouragement, growth and healing for God's hurting children. Lana has the ability to share her journey to wholeness in a way that touches hearts deeply with hope and healing. Her materials are sold to support Philippian Ministries in order for this prayer ministry to be offered to all who come needing help.

Thank you for your order and may our Lord bless you as you long to know His heart!
